3:00 PM EST Mallory Bateman called the meeting to order

### Annual Conference

- Mallory has received the “get to know you” slides from 25 attendees. She will send it to the Census staff ahead of the meeting as well as bring a copy on a flash drive.
- CLMSO has taken care of the travel plans and does not need any additional information from the steering committee at this point.
- Any questions that people have can be posted on the website or sent to the Census.
- The steering committee will meet in the Executive Ballroom for their planning meeting. They will need a whiteboard and maybe a projector for their meeting.
- Director Santos will be able to speak at the conference for 1.5 hours. He will give remarks and then take questions, so people should come prepared.
- There are several designees attending instead of leads, so the steering committee members should be sure to reach out to them and help them orient themselves at the conference.
- Mallory will send a reminder to the steering committee about items for the conference to send to tree states – link to conference site, agenda for business meeting, send information for slides, bring your questions, etc. (51 SDCs registered)

Meeting adjourned at 3:45 PM EST
