### Embargo Access

- There is someone who wants Embargo Access, so Devon has reached out to PIO to pass that request along. Devon will send Mallory the link for them to apply for access.
- In general, SDC leads will get access; coordinating agencies can get access if they ask; and certain affiliates can apply for access. DUB has a few extra access spaces they can grant to relevant agencies.

### Updates from the SDC Steering Committee

- Webinars: The SDCs will meet with the CICs soon to discuss potential topics for the webinar series.
- Clearinghouse Revamp: The committee has been working on the SDC Clearinghouse website.
  - New Member Packet: DUB has a version from a few years ago that they will review and update and send to the steering committee by October 24, 2024. This will be included on the website.

### Updates from DUB

- The Supplemental Demographic and Housing Characteristics File (S-DHC) will be released September 19, 2024. After the SDC network has had a chance to interact with the dataset, DUB will collect questions and do a Q&A during the big SDC quarterly meeting next month.
- DUB is interested in collaborating with the SDC and CIC to do more webinars or brown bag series.
- DUB would like to help the steering committee host a new leads onboarding webinar in early 2025. There are still some new leads who have not made it to the annual conference. Devon will go through the list of the leads and make a list of everyone who is new.

Meeting adjourned at 3:23 PM EST
